Dear Parents,

The 2022 Junior Golf program at Conestoga is just around the corner. This program has grown in demand and in quality in recent years. We are going to continue to split the children up into two groups. They will then concentrate on the full swing for half the session and short game the other half. The following week they will rotate to a different aspect of the game. We feel that this will allow us to provide a better learning environment for the kids and help them become better golfers.

We would like to thank you in advance for your understanding and cooperation in providing us with your enrollment form prior to the deadline. Our goal is to provide the kids with an enjoyable learning environment and to help them grow as golfers and young adults. After all, they are the future of the game and our club. We also ask that you arrive for all clinics and play dates at least ten (10) minutes prior to the start time or tee time. This will enable us to start on time. This is of the utmost importance and we would appreciate your cooperation.

Tee times for Fridays will be available in the Pro Shop after the clinics are finished on Wednesdays. Parents of New Junior Golfers that might have any questions regarding the program should contact the Pro Shop at 394-8411. Each junior will receive their Gift when they register, or they can be picked up on the first clinic day in the Pro Shop. We are looking forward to a fantastic 2021 Junior Golf Season.

The Professional Golf Staff,

Robert Leeman, PGA Head Professional

Johnny DeJesus, Assistant Professional

Andy Stewart, Assistant Professional
